(e) Penalty provisions

(1) Failure to file correct returns.— The section 6721 penalty may apply to an institution or insurer that fails to file information returns required by section 6050S and this section on or before the required filing date; that fails to include all of the required information on the return; or that includes incorrect information on the return. See section 6721, and the regulations thereunder, for rules relating to penalties for failure to file correct returns. See section 6724, and the regulations thereunder, for rules relating to waivers of penalties for certain failures due to reasonable cause.

(2) Failure to furnish correct information statements.— The section 6722 penalty may apply to an institution or insurer that fails to furnish statements required by section 6050S and this section on or before the prescribed date; that fails to include all the required information on the statement; or that includes incorrect information on the statement. See section 6722, and the regulations thereunder, for rules relating to penalties for failure to furnish correct statements. See section 6724, and the regulations thereunder, for rules relating to waivers of penalties for certain failures due to reasonable cause.

(3) Waiver of penalties for failures to include a correct TIN. (i) In general.— In the case of a failure to include a correct TIN on Form 1098-T or a related information statement, penalties may be waived if the failure is due to reasonable cause. Reasonable cause may be established if the failure arose from events beyond the institution's or insurer's control, such as a failure of the individual to furnish a correct TIN. However, the institution or insurer must establish that it acted in a responsible manner both before and after the failure. (ii) Acting in a responsible manner.— An institution or insurer must request the TIN of each individual for whom it is required to file a return if it does not already have a record of the individual's correct TIN. If the institution or insurer does not have a record of the individual's correct TIN, then it must solicit the TIN in the manner described in paragraph (e)(3)(iii) of this section on or before December 31 of each year during which it receives payments, or bills amounts, for qualified tuition and related expenses or makes reimbursements, refunds, or reductions of such amounts with respect to the individual. If an individual refuses to provide his or her TIN upon request, the institution or insurer must file the return and furnish the statement required by this section without the individual's TIN, but with all other required information. The specific solicitation requirements of paragraph (e)(3)(iii) of this section apply in lieu of the solicitation requirements of §301.6724-1(e) and (f) of this chapter for the purpose of determining whether an institution or insurer acted in a responsible manner in attempting to obtain a correct TIN. An institution or insurer that complies with the requirements of this paragraph (e)(3) will be considered to have acted in a responsible manner within the meaning of §301.6724-1(d) of this chapter with respect to any failure to include the correct TIN of an individual on a return or statement required by section 6050S and this section.

(iii) Manner of soliciting TIN.— An institution or insurer must request the individual's TIN in writing and must clearly notify the individual that the law requires the individual to furnish a TIN so that it may be

included on an information return filed by the institution or insurer. A request for a TIN made on Form W-9S, "Request for Student's or Borrower's Taxpayer Identification Number and Certification," satisfies the requirements of this paragraph (e)(3)(iii). An institution or insurer may establish a system for individuals to submit Forms W-9S electronically as described in applicable forms and instructions. An institution or insurer may also develop a separate form to request the individual's TIN or incorporate the request into other forms customarily used by the institution or insurer, such as admission or enrollment forms or financial aid applications.

(4) Failure to furnish TIN.— The section 6723 penalty may apply to any individual who is required (but fails) to furnish his or her TIN to an institution or insurer. See section 6723, and the regulations thereunder, for rules relating to the penalty for failure to furnish a TIN.
