TICKET INFORMATION:

The BIOL IFCC met in October of 2018 to revise the BIOL 2113 and BIOL 2113 lab standards. During that meeting a list of recommended changes were made and then each college was allowed to participate in voting on accepting the changes. 14 college voted on and approved the proposed changes.

BIOL 2113 changes: All of the changes were grammatical with the exception of the deletion of Competency 7-The Nervous and Sensory Systems, Order 3- Describe the structure of a neuron. The participants gave the following rational for the deletion:

Proposed-Deletion of this “order” as it is better defined in existing “Order 5” (current Order 4) and is therefore, a redundant requirement.

BIOL 2113 L Changes: There were grammatical changes made to the course description.
