

VPAA WebEx Meeting
Wednesday, September 2, 2020 @ 3:00 p.m.

Welcome- Dr. Kathryn Hornsby

1. GVTC Update- Robert Keown and Pam Warren

No new projects.

Beginning work on e Campus. If you have suggestions of programs and courses in which you have difficulty in finding credentialed faculty, please provide that information.

2. Academic Affairs Administrator Training – Sandra King

Reviewed training schedule draft for pivoting the sessions to virtual this fall.

Amy Holloway supported the schedule.

3. FinTech Update- Sandra King

Based on the initial meeting with colleges, board members, and workforce representatives, feedback indicated a need for networking skills with the ability to install and repair equipment. Mike and Jason followed up with workforce. There is currently a workforce representative that is reviewing mechatronics courses to determine what curriculum is needed. It is possible that courses can be repackaged for a TCC or other credential. Please let us know if you have any suggestions or interest.

4. Discussion: Fall Semester Updates

5. Other Questions- All

Adjourned at 3:15 p.m.
