Pam: Preparing for fall 2020 term.

Robert: Still exploring the coding of courses for modality and working through the data committee to incorporate feedback from the college surveys and implement changes moving forward.

2. Apple Update- Saundra King, Jennifer Dame, Ryan Mahoney, and Glen Spencer Jr.

Development in Swift coding – Professional development material for educators. Online, and free. They will send training information to Saundra who will forward to the VPAA list serve.

3. E-Campus Update- Kathryn Hornsby, Robert Keown

Robert: Pilot opportunity to grow fully online programs with 2 colleges: Wiregrass (Python) and Columbus (AWS) sharing their faculty. No revenue sharing during pilot.

Reviewed Shared Services PowerPoint presentation.

FTE will stay “at home”.

Shared instructor model. Will have to make sure that SACCOOC credentialing requirements are being met.

Survey will be sent to colleges. Colleges will be asked if they wish to participate in the pilot.

System office will work to expedite program requests to be offered beginning second half of fall term.

4. Other Questions- All

- Clinical Waiver questions – Sasha will update the spreadsheet with the exceptions.
- Any updates on possible changes to SB2 TCCs? We have partners wanting us to PLA diploma ENGL and MATH. Kathryn advised the group that the changes were submitted to OPB. Regarding math and English, Dr. Dames has reviewed high school courses and compared to TCSG math and English. There is some duplication. This information has been shared with executive leadership.
