

VPAA Webex

Wednesday, May 13, 2020 @ 3:00 p.m.

Welcome- Dr. Kathryn Hornsby

Goal and Rick Perkins: Will be looking at a creative and cost effective way to celebrate. Will not be held at a hotel in August. Should help regarding budget cuts.

Aviation: Webex with program directors and VPAAAs (if they wish) tomorrow at 11:00 a.m. to discuss opening of programs and limited labs.

1. GVTC Update- Robert Keown/Pam Warren

Robert: Meeting with POCs tomorrow morning.

Pam: continue to work on Respondus. No new news.

Working with ITDR on reports. Update grades every week.

June 1 – start date for new round of OER courses.

2. Update on Dual Enrollment – Mark Peevey

Reviewed PowerPoint relevant to HB444 which was forwarded to VPAA list serve.

- SB2 pathway students can finish their programs.
- Funding: When students go past the 30 hours, colleges can (not mandated) charge tuition, fees, and books just like you would other students. Can be prorated. Students can self-pay for 9th graders or over 30 hour cap.
- Multiple funding sources for students.
- Students can retroactively qualify for funds if they take entrance tests before end of December 2020.
- New Dual Enrollment form rolling out Monday. Will allow for 30 hour cap to be tracked. Can be used for 1 year.

3. Program Updates

- **Law Enforcement- Jason Strickland:** Shared update from Commissioner that there is no mandate to shorten programs.

3. Other Questions- All
