CONCLUSIONS		

STANDARD REVISION FOR ACCT 1115 - COMPUTERIZED ACCOUNTING		WESTBROOK
DISCUSSION	Garrett Westbrook reported the preliminary findings of his ongoing analysis of the current ACCT 1115 Computerized Accounting standards and whether revising them would facilitate Certiport QuickBooks Certification. His analysis of survey results indicate that QuickBooks online and QuickBooks desktop align, so that the standards can be revised to meet the requirements of both versions of the software (online and desktop). Point of information: Certiport offers three practice tests and a retake if test score is less than 70%.	
CONCLUSIONS	There are no conclusions yet. Garrett will poll all 22 TCSG colleges to determine which schools use QuickBooks or Sage 50 and what the overall sentiment is regarding the current ACCT 1115 standards.
