### Ticket Information:

1. The Chemistry IFCC met on September 9, 2015 via conference call. After discussion, the group voted to change the MATH 1101/1111 Prerequisite to a Co-Requisite. The change will be effective immediately. CHEM 1151/1151L will now read – CHEM 1151 - Co-Requisites MATH 1101 OR MATH 1111 AND CHEM 1151L ; CHEM 1151L - Co-Requisites MATH 1101 OR MATH 1111 AND CHEM 1151. There will be no prerequisite for CHEM 1151/1151L.
2. Colleges may choose to continue to have MATH 1101/1111 as a pre-requisite.
3. Some of the discussion leading to the change were many USG colleges do not required MATH 1101/1111 as a prerequisite and much of the math taught in these courses does not prepare the student for success in CHEM 1151/1151L.
