Ticket Information:

The Cosmetology IFCC initiated a probe to shorten the Nail Technician certificate (NT11) to match the minimum number of contact hours required for licensure by the Georgia State Board of Cosmetology and Barbers. Voting for this probe ended on Monday, July 24, 2017.

Eight colleges are approved to offer the Nail Technician certificate. Six of eight submitted probe votes, all of which indicated they agree with the proposed changes with no comments. Three additional colleges voted in support of the proposed changes.

The results of this probe will be reviewed at the September meeting of the Presidents' Council.
