**Ticket Information:**

The Interiors program is offered at four colleges, which are Chattahoochee Tech, Gwinnett Tech, Lanier Tech, and Athens Tech.

At the Interiors IFCC meeting on November 7, 2016, the faculty reviewed the INDS courses and via a consensus recommended reducing the lecture minutes from 3,000 to 2,250 minutes in the following courses:

INDS 1150 History of Interiors and Architecture I (4 to 3 credit hours)

INDS 1155 History of Interiors and Architecture II (4 to 3 credit hours)

INDS 2240 Business Practices for Design Professionals (5 to 4 credit hours)

The reduced minutes streamline the course content while also retaining critical course competencies.

IN12 Interiors (201312) and IN13 Interiors (201312)

The above three courses are required in the diploma and degree programs. Their combined reduction of three credit hours is offset by the addition of a three (or four) credit hour guided elective. This allows students to better align the curriculum with their career objective. Total program hours for IN12 remain 59 and the total hours for IN13 remain 69. New version for programs: 201712

ID31 Interior Design Sales Consultant (201412)

INDS 1150 and 1155 are required courses in this TCC. With the reduction of one credit hour in each course, the total program hours change from 25 to 23 hours. New program version: 201712

KAB1 Kitchen and Bath Designer (201003)

INDS 2240 is a required course in this TCC. With the reduction of one credit hour in the course, the total program hours change from 36 to 35 hours. New program version: 201712

Updates for Course Pre- and/or Co-Reqs:

The course versions for INDS 1150, 1155, and 2240 were changed from 201003 to 201712 in the probe. These courses are pre- and/or co-req for the following INDS courses and thereby required that their pre- and/or co-reqs be updated:

INDS 1155 History of Interiors and Architecture II (201712)

Co-Req: INDS 1150 (201712)

INDS 1170 Interiors Internship (201003)

Co-Req: INDS 1150 (201712)

INDS 2215 Design Studio II (201003)

Co-Req: INDS 1150 (201712)

INDS 2230 Design Studio III (201003)

Co-Req: INDS 1155 (201712)

INDS 2515 Kitchen and Bath Studio (201003)

Pre-Req: INDS 2240 (201712)

Updates for MATH Co-Reqs:

Two INDS courses have Math courses as co-reqs. To ensure that the Math co-reqs match the Math courses in IN13 Interiors (201312) and (201712), Math 1101 Mathematical Modeling (201003) and MATH 1103 Quantitative Skills and Reasoning (201614) were added as co-reqs for:

INDS 1145 CAD Fundamentals for Interior Design (201003)

INDS 2210 Design Studio I (201003)

Please submit your Probe vote no later than Wednesday, March 1, 2017.
