

## Opticianry IFCC Meeting Minutes

### Conference Call

August 30, 2016 at 2:30

#### Attendees:

Holly Free

Deborah Deloach

Scott Lloyd

Lanard Atkins

William Gerald Wilkerson

Gregory Boatright

- Minutes were approved as written. Deborah motioned, Scott seconded.
- Holly Free discussed the replacement of Compass scores with Accuplacer scores and could be referenced in KMS. Deborah asked what it was exactly and Holly explained the nature of the Accuplacer system.
- Holly Free introduced a proposal from WGTC concerning the verbiage in usage describing the Math courses available to students. It was requested that the word "or" be placed in front of Math 1013 and that Math 1013 be considered as a viable alternative as well for the students to take. All approved the addition.
- Deborah Deloach requested that the word "or" be used with the addition of COLL 1010 to indicate that students could take either COMP or COLL as an alternative. All approved the addition.

#### Floor was opened:

- Nothing from Deborah and Scott, then Deborah requested that the minutes in the curriculum be rounded or evened so that there would be an easier time of splitting classes. She described having a hard time with 2090 and 2120 especially.
- Nothing from Lanard.
- Nothing from William.
  
- Holly motioned for the end of the meeting. Round of ayes.
- Meeting adjourned. 3:00pm
