

PN IFCC MEETING
Monday , October 17, 2016
Central GA Technical College – Macon

Present:

Call to Order

The meeting was called to order at 10:15 am in the H-Building at GCTC. Christy Taylor welcomed everyone, introduced Holly Free, and the previous meeting minutes reviewed and approved from previous meeting,

Old Business

Holly Free stated that all LPN programs will be ACEN accredited by the year 2020
Last curriculum proposal denied

New Business

Holly Free informed that the following are possible changes coming in the near future:

1. TCSG is actively looking at combining the Leadership class (1 credit hour) and Leadership clinical (2 credit hour) into one 3 credit hours course. Also doing the same thing for Maternity. Explained that was a way to eliminate those stand-alone 1 credit hour courses.
2. Incorporate Diet and Nutrition objectives into the Fundamentals and M/S courses in program. Would remove it as a separate course.
3. Add Med Term as a required core class, thus maintaining the same overall program credit hours.

ACEN forum is November 8th in ATL – requested presence of Deans and Directors

Reminders – Accuplacer has taken the place of COMPASS

No interviews can be used for competitive entry criteria.

The meeting was dismissed at 12 noon.

Respectfully submitted,

Jackie Spriggs
Wiregrass Technical College
