PAS Group Title/PAS Code: Business Technology / 0250

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):	
DAS1 Data Analytics Specialist	HIMT 1400 Coding and Classification – ICD Basic
HI13 Health Information Management Technology	HIMT 2375 Healthcare Coding

TICKET INFORMATION:

HIMT 1400 Coding and Classification – ICD Basic (202014)

The co-requisite for this course, MAST 1120 Human Pathological Conditions in Medicine, was removed. Key components from MAST 1120 (and HIMT 1350) were combined into HIMT 1360 Introduction to Pathopharmacotherapy (202014), which is the pre-req for HIMT 1400.

HIMT 2375 Healthcare Coding (202114)

It was recommended by the HIMT faculty to create an HIMT version of BUSN 2375. This action would ensure more transparency that the course instructor meets CAHIIM’s credentialing expectations. HIMT 2375 will be added as an “or statement” to BUSN 2375 in HIMT programs. The two programs are:

DAS1 Data Analytics Specialist (202014)

HI13 Health Information Management Technology (202014)

The program versions and credit hours remain unchanged.
