**PAS Group Title/PAS Code: Medical Assisting/0830**

**Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):**

Lactation Consultant/LC31

Lactation Consultant/LC12

### TICKET INFORMATION:

The Lactation Consultant program is an institutionally developed program belonging to GA Northwestern Technical College. The college has requested that the program name for the TCC and diploma be changed to Human Lactation. Based upon professional standards within the lactation profession, educational programs such as LC31 & LC12 should be named Human Lactation due to the scope of practice taught within the program.

A 202112 version of the LC31 and LC12 program was created. Overall, the name change for both major codes did not impact the credit hours in any fashion. The credit hours for LC31 remained at 36hrs and the credit hours for LC12 remained at 57hrs.
