### TICKET INFORMATION:

In 2019, the HIMT program completed the Program Review process. The curriculum changes were dictated by CAHIIM (the program's accrediting organization). CAHIIM requires the new curriculum be embedded with a specialization (data analytics or revenue cycle) by 2020-2021. Due to COVID-19, a college may delay until Fall 2021; however, all graduates must be prepared for CAHIIM's revised RHIT exam by Spring 2023.

In August 2020, the release of the updated HIMT curriculum was approved by college Presidents and VPAs for the following HIMT awards:

- HI13 Health information Management Technology (202014)
- HI12 Health Information Coding (202014)
- HI81 Health Information Technician (202112)
- RC41 Revenue Cycle Specialist (202014)
- DAS1 Data Analytics Specialist (202014)
