TICKET INFORMATION:

Upon the request from Savannah Technical College's, to provide flexibility amongst Nurse Aide related specialization areas, an "or" of NAST courses was added. Within those specializations, there is an "or" option between NAST 1100: Nurse Aide Fundamentals and NAST 2100: Nurse Aide Accelerated. This change was made to the 2010 version of the program and the credit hours remained at 30. Additionally, this change will not impact the program at any college and does not require any implementation.
