

VPAA WebEx Meeting

Wednesday, March 10, 2021 @ 3:00 p.m.

Agenda

1. Welcome and PC Update- Dr. Kathryn Hornsby

PC meeting:

- Presidents approved the Med. Assisting probe changes, including the 160 minimum clinical hours.
- SB2 Pathway templates will be posted on the AA website.
- Albany proposed Carpentry and Diesel pathways to add to the list.
- AA staff is looking through the Hope Career Grant List to see if additional SB2 pathways are possible. Colleges can also propose others.
- Perkins carry over money must now be spent. Purchasing has requested that trucks not be purchased this year. Spend Perkins money before CARES money if possible.
- eCampus – Steering and Advisory Committees were discussed. Presidents are recommending individuals to serve.

2. IFCC Update- Sandra King

- Diagnostic Medical Sonography will be held Friday, March 13.
- PTA rescheduled to Friday, April 16.
- TBD meetings:
 - Welding - to discuss High School Articulation.
 - Networking – to discuss changes to Microsoft curriculum changes.
 - Line Worker – changes upcoming in federal regulations to truck driving training.

3. Academic Calendar Update- Derek Dabrowiak

Presented PowerPoint and discussed proposed revisions. PowerPoint will be shared.

4. Attendance- Pros and Cons- Derek Dabrowiak

Presented information that was discussed at March PC which included pros and cons. Noted that some programs, like those with clinicals do require attendance. Some WIOA programs and military also require attendance.

5. New College Calendar Form- Annelise Berger

- At Kathryn's request, reviewed the calendar form. Presented a revised and proposed form via Google doc. Will be provided to colleges by the end of the week. Annelise will manage.
- eCampus pairings are needed. If possible, submit by end of March.

6. eCampus Update- Robert Keown

- Presented and discussed spread sheet of summer courses.
- Will be entered into Banner.
- Any changes need to be communicated asap.
- Master shells will be sanitized to remove college specific branding.
- Enterprise Services providing training. Ticket can be submitted for their assistance with Banner.

7. EMPL 1000- Dr. Kathryn Hornsby

Kathryn will be convening a discussion group. If you are interested in participating, let Kathryn know. She will then send a Google poll to determine a time to meet toward the end of next week.

Meeting Adjourned at 4:02 p.m.
