TICKET INFORMATION:

The NU63: Associate of Science in Nursing is a program belonging to Atlanta Technical College. Per the request of the college, the following changes were made to the 202014 version of the program.

1. In effort to provide students with more options within the general education requirements, MATH 1101: Math Modeling was added to Area III: Natural Science/Mathematics and ARTS 1101: Art Appreciation, ENGL 2130: American Literature & MUSC 1101: Music Appreciation was added to Area IV: Humanities/Fine Arts.
2. In an effort to address ACEN feedback of revising the program's SLOs, Program Outcome #1 has been revised to state the following: Student will exhibit a holistic, compassionate, respectful partnership with the patient and family that facilitates autonomy, recognizing client preferences and needs while providing coordinated and effective care. (Patient-Centered Care). This revision will provide an indication of student learning from simple to complex. Furthermore, unlike the previously written outcome, this revision will allow effective measurements.

The program version remains at 202014. The credit hours remained at 69 total credit hours.
