**PAS Group Title/PAS Code: Interiors / 0730**

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):	
KAB1 Kitchen and Bath Designer	INDS 2515 Kitchen and Bath Studio (201003)

### TICKET INFORMATION:

The IFCC unanimously agreed to allow INDS 1145 CAD Fundamentals for Interior Design (201003) to be taken as an alternative to INDS 2510 Kitchen and Bath Solutions through Technology (201003) in KAB1 Kitchen and Bath Designer (201712). This change provides more flexibility by offering industry-required software technology (AutoCAD).

The creation of an “or statement” in the curriculum reduces the minimum TCC hours from 35 to 34 since INDS 2510 is 4 credit hours and INDS 1145 is 3 credit hours. The new program version is 202112.

To ensure consistency, the pre-requisites for INDS 2515 Kitchen and Bath Studio (201003) were also updated to include INDS 1145 as an alternative for INDS 2510. Course versions remain unchanged.

The four colleges that offer the Interiors program voted in favor of the change and had no other comments. The program revision will next go before the Presidents’ Council for their approval when they meet in July and can then be approved by the State Board in August.
