PAS Group Title/PAS Code: Aircraft Structural Technology/0110

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

AST2 – Aircraft Structural Technology

EMPL 1000 – Interpersonal Skills and Professional Development

TICKET INFORMATION:

The AST2 probe voting period ended on May 31st. All three colleges (Central Georgia, Savannah, and South Georgia) that teach aircraft structural programs voted by the deadline. All three colleges voted in favor of the change and had no other comments. This program revision was approved by the presidents in July and then by the TCSG state board in August. Colleges have up to one year to implement this new program standard.
