### TICKET INFORMATION:

For LAS2 Logistics and Supply Chain Management to be in compliance with the revised State Board policy and program structure, EMPL 1000 was re-inserted in the diploma. The update and probe feedback were reviewed and approved by the Presidents at their October 25, 2021 meeting. The updates to the LAS2 diploma will be approved by the TCSG State Board at their meeting in early December. Colleges offering LAS2 will then be able to implement this new version as soon as scheduling allows in 2022.
