TICKET INFORMATION:

The PAF2: Paramedicine Fort Benning Fire Dept program belongs to Columbus Technical College (CTC). CTC received a request from GA Northwestern Technical College (GNTC) to adopt the PAF2 program, with the condition of changing the program name to allow the representation of all service areas throughout the state. CTC agreed and has changed the title of the program to PAF2: Paramedicine Accelerated.

The 2021 version of the program has been updated to reflect the new program title. Additionally, the program status has been updated to show that the program is now a “standard” program, allowing GNTC and other colleges to adopt the program. Overall, the total credit hours of the program remained as is at 44hrs.
