Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

Radiologic Technician Assistant/RT21

[Click or tap here to enter text.]

TICKET INFORMATION:

This information ticket is intended to inform colleges offering the RT21 program of a recent change. The System Office received a request for a program title change of the RT21 program. Due to the program having a “standard” program status, the CPS sent an electronic vote to the IFCC to approve this request.

The CPS received 27 votes, and all voted in favor of changing the RT21 program title to **Radiologic Technologist Assistant**. The IFCC agreed that this program title change aligns with the current terminology used within the profession. The 2021 version of the program has been updated.
