Licensed Practical Nurse and Paramedic to ASN  
Bridge/LT13

### TICKET INFORMATION:

The LT13: Licensed Practical Nurse and Paramedic to ASN Bridge program is an institutionally developed program belonging to Wiregrass GA Technical College. The college has requested to remove any program-specific information from the program title, allowing the title to be more versatile.

In detail, the program name change was made to the 202116 program version from *LT13: Licensed Practical Nurse and Paramedic to ASN Bridge* to *LT13: Transitions into Nursing: Associate of Science in Nursing*. This change did not impact the total program hours, and the program remained at 60 credit hours.
