TICKET INFORMATION:

The TCSG Grant Management department requested a review of several program CIP Codes. After researching the curriculum database, the CPS determined that the following programs will require a minor CIP Code change. The table below provides the program listing

Program Name	Program Version	Standard/College	Current CIP Code	Revised CIP Code	Explanation of CIP Code Modification
GaTAPP Early Childhood Education Precertification/ GEC1	2017	Wiregrass Georgia	Child Development (190706)	Early Childhood Education and Teaching (131210)	The suggested code relates to preparing individuals to teach students ranging in age from infancy through eight years (grade three)

Overall, the CIP Code revisions did not impact the credit and contact hours of the programs.
