TICKET INFORMATION:

The TCSG Grant Management department requested a review of several program CIP Codes. After researching the curriculum database, the CPS determined that the following programs will require a minor CIP Code change. The table below provides the program listing, CIP Code modifications, and explanation.

Program Name	Program Version	Standard/College	Current CIP Code	Revised CIP Code	Explanation of CIP Code Modification
IS21: Imagining Science Assistant	2010	Coastal Pines	Hlth Mgmt + Clinic Asst/Special (510711)	Sci. Radiologic Tech (510911)	The program falls within the radiologic/imaging services.

IS51: Imaging Science Services Assistant	2021	Standard	Hlth Mgmt + Clinic Asst/Special (510711)	Sci. Radiologic Tech (510911)	The program falls within the radiologic/imaging services.
MS61: Medical Skin Care Specialist	2010	Standard	Hlth Mgmt + Clinic Asst/Special (510711)	Esthetician & Skin Care Speci (120409)	The program falls within advanced skincare services.

Overall, the CIP Code revisions did not impact the credit and contact hours of the programs.
