TICKET INFORMATION:

The NG73: Nursing program belongs to Southern Crescent Technical College. The 2019 version of the program currently has the SPCH 1101: Public Speaking course listed under Area IV: Humanities/Fine Arts as an “or” option. However, the SPCH 1101 course belongs within Area I: Language Arts/Communication, and the college has decided not to list SPCH 1101 as an “or” option within Area I. This modification will decrease advisement and registration issues the college has been experiencing.

Additionally, these modifications have been made to the 2019 version of the program. Overall, the removal of this “or” option did not impact the credit or contact hours of the program. The program remained at 69 credit hours. The program will now be displayed as the following,
