TICKET INFORMATION:

The GC51: Geriatric Care Assistant TCC program is a standard program. In addition to the required basic skill and GERT course, the program has a Nurse Aide course requirement. The NAST 2100: Nurse Aide Accelerated course was added as an additional “or” option to provide flexibility for the various Nurse Aide course selection.

This additional “or” option will help satisfy the SB2: Health Science TCC pathway requirements, updated in March 2022. Overall, the additional “or” option was added to the 2010 version of the GC51 TCC program. The GC51 TCC program credit hours remained at 15hrs.
