Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

Associate of Science of Nursing/NH73

[Click or tap here to enter text.]

TICKET INFORMATION:

The NH73: Associate of Science of Nursing degree program belongs to Coastal Pines Technical College (CPTC). The college has requested to add the MATH 1101: Mathematical Modeling (3hrs) course as an “or” option to the MATH 1111: College Algebra (3hrs) listed within Area III: Natural Sciences/Mathematics.

The creation of the “or” option will allow students to meet Area III requirements without taking additional MATH courses for acceptance into the Nursing program. The revisions were made to the 2019 version of the NH73 program. Overall, the credit hours remained at 67hrs.
