

VPAA Meeting

WebEx

Wednesday, February 16, 2022 @ 3:00 p.m.

- I. Welcome Dr. Kathryn Hornsby
Dr. Kristen Douglas new VPAA at Athens Tech
- II. USG/TCSG Articulation Dr. Kathryn Hornsby
Presidents reviewed the list of proposed courses, and approved. The proposal has been shared with USG. There will be meetings with faculty held at some point in the future. Reminded everyone that this is a proposed list, not currently approved.
- III. Degree Works Update Steven Ferguson
Focused on giving information/data about students who have stopped out. Last Term attended, major, courses completed, and lists courses still needed.
- IV. Introduction of New eCampus Director Steven Ferguson/Dr. Deona Carter
- V. GaDOE Articulations Sandra King
Sandra shared a list of approved, in process, and TBA programs.
- VI. Auto Tech Update Steve Conway
EV auto TCC approved and is now available for adoption.
IFCC meeting held last week and reminded all that the program can be adopted and discussed with advisory boards.
Question asked about Commercial Truck Driving. Steve explained that rubrics were sent out in November and no other changes were received.
- VII. Inclusive Access/Textbooks Dr. Kathryn Hornsby/Robert Keown
If people are interested, let Kathryn know.
- VIII. Other:
Two PROBES: Phlebotomy and PTA
Robert mentioned summer courses for e-campus.
