Clinical Laboratory Technology/CLT3	Introduction to Clinical Laboratory Technology/CLBT 1010 Urinalysis/Body Fluids/CLBT 1030 Hematology/Coagulation/CLBT 1040 Serology/Immunology/CLBT 1050 Immunohematology/CLBT 1060 Clinical Chemistry/CLBT 1070 Microbiology/CLBT 1080 Clinical Urinalysis, Serology and Preanalytic Specimen Process Practicum/CLBT 1090 Clinical Immunohematology Practicum/CLBT 2100 Clinical Hematology/Coagulation Practicum/CLBT 2110

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):	
	Clinical Microbiology Practicum/CLBT 2120
	Clinical Chemistry Practicum/CLBT 2130
	CLT Certification Review/CLBT 2200

---

**TICKET INFORMATION:**

The Medical Laboratory Technology (Clinical Laboratory) IFCC met on November 5<sup>th</sup> to review and discuss the revisions needed for the CLT3: Clinical Laboratory program and CLBT course standards. Based on decisions made by the IFCC, a 2022 version of the program and courses were created. The program title and CLBT course prefix has been revised to align with the terminology used within the profession. The CLT3 program is now titled *Medical Laboratory Technology*.

In addition, the CLBT course prefix is now **MLBT**. For full details of program and course proposed revisions, please review Appendix A. Overall, the changes made to the program and course standards did not impact the overall credit and contact hours within the CLT3 program. Lastly, the CLBT courses are not embedded within any other programs within the curriculum database.

Votes should be submitted no later than March 30<sup>th</sup>, 2022.
