

VPAA/VPIE WebEx Meeting
Wednesday, September 7, 2022 @ 2:00 p.m.
Notes

- I. Welcome Dr. Kathryn Hornsby, TCSG
 - Welcome Ms. Kristen Buoy the new VPAA at West Georgia Technical College.
 - All the VPAAs received an email from Dr. Claudia Grooms from Southern Regional regarding Georgia Master Teacher Experience. This is great professional development for your faculty. Please consider allowing faculty to attend.
 - Please contact Annelise Berger <aberger@tcsge.edu> to unlock the calendar application, if you need to make any changes.
- II. Western Governors University Articulation Ms. Tenita Philyaw-Rogers and Mr. Rick Brown, WGU

Presentation explaining WGU and competency based education.
Support services offered.
Flat rate tuition. Pays for 6 months at a time and unlimited courses. Pay for time, not credit hours. Financial aid offered.
Students control how quickly they accelerate.
- III. Morris Brown Articulation Update Dr. Kathryn Hornsby, TCSG

Small VPAA group worked on refining agreement and crosswalk. Presidents prefer a 2 + 2 agreement. AAS in Business Management to BS in Organizational Management. Also the agreement includes an AAS in Hotel/Restaurant/Tourism Management to BS Hospitality Management. Please notify us if you have any concerns. Colleges are not required to participate. This proposed agreement will be shared at the September meeting of the Presidents' Academic Committee Meeting.
- IV. eCampus Course Alignment Dr. Deona Carter, TCSG

Presented the website and resources for faculty. Demonstrated how colleges can use the link to request courses.
VPAA's requested a training video be made regarding how to use this site.
- V. Micro-credentials Update
 - A. Reviewed Procedure 5.1.6 and suggested changes: Dr. Ray Perren, TCSG

Micro-credential 1 - 5 credits
TCC credit hour lowered to 6 credits with at least 2 courses.
Addresses job skills to get students into the workforce.
Can be stackable or standalone.
We can approach SACSCOC, Kevin Sigtler to discuss sub-change.
Work underway for micro-credentials to be included with TargetX
These awards are HOPE eligible.
PLA will be acceptable to award.
Will count toward enrollment.
 - B. Curriculum Database Update Mr. Steve Conway, TCSG

New lower TCCs - no changes needed.
Micro-credentials – will require 2 changes in KMS. There will be a new drop down choice to create new Micro-credential. Alpha numeric program code will end in 5.
We'll begin internal CDB testing soon.
 - C. Micro-credentials Discussion Mr. David Kuipers, South Georgia Technical College

Adjourn at 3:25 p.m.
