## TICKET INFORMATION:

At the September 13, 2022 History and Political Science IFCC meeting the group decided to update the names of the following courses to include a time based naming convention.

- HIST 2111 US History I (to 1877)
- HIST 2112 US History II (since 1865)
- HIST 1111 World History I (to 1500)
- HIST 1112 World History II (since 1500)

The rationale for the name changes includes: Bring the naming system closer in alignment with what many USG schools are using, Bring clarity to students on what the courses contain, Bring clarity to the fact that the courses do not need to be taken in any particular order, Increase enrollment in the second half courses. The version numbers and credit hours for the courses have not changed.
