TICKET INFORMATION:

The NH 73 Associate of Science in Nursing is an institutional-developed program belonging to Coastal Pines Technical College. The ASN Program Operations Director and faculty assessed the curriculum for the program and requested the following changes to the sequence of courses to have RNSG 2021 Fundamentals and RNSG 2024 Pharmacology in the first Semester. Pharmacology is foundational to the students, and we found they were not properly prepared to administer medications when it was in the summer semester with Medical Surgical I. We would like to request a KMS State Standards change in sequence and co-requisites.

Spring Semester:

RNSG 2021 Fundamentals with co-requisite RNSG 2024 Pharmacology

RNSG 2024 Pharmacology with co-requisite RNSG 2021 Fundamentals

Summer Semester:

RNSG 2023 Medical Surgical I: Pre-reqs RNSG2021 & 2024: Co-req RNSG 2022 Mental Health

RNSG 2022 Mental Health: Pre-reqs RNSG 2021 & 2024: Co-reqs RNSG 2023

Fall:

RNSG 2029 Medical Surgical II: Pre-reqs RNSG 2021, 2022,2023,2024: Co-reqs RNSG 2031

RNSG 2031 Maternal Child Nursing: Pre reqs RNSG 2021, 2022, 2023, 2024: Co reqs RNSG 2029

Spring:

RNSG 2033 Medical Surgical III: Pre-reqs RNSG 2021,2022,2023,2024,2029,2031

These changes in course sequences had no effect on program credit hours or contact hours. The actions only reflect a change in prerequisite course taking. The program version remains the same as well.
