Health Care Assistant/HA21

Operating Room Fundamentals/ALHS 1200

### TICKET INFORMATION:

This information ticket is intended to inform all colleges offering HA21: Health Care Assistant TCC of a recent change. Central GA Technical College requested the creation of an institutional developed course for partnership with Houston Healthcare. The course is ALHS 1200: Operating Room Fundamentals and has been added to the HA21: Health Care Assistant TCC as an “or” option to the elective section of the TCC. Overall, the addition of this course as an “or” option within the TCC did not impact the overall credit and contact hours of the program. The HA21: Health Care Assistant TCC remains at a total of 30 credit hours.
