

VPAA Virtual Meeting
Wednesday, March 8, 2023
3:00 p.m.

- I. Welcome and PC Update- Dr. Kathryn Hornsby
 - 2 Entry Level Workforce Certificates have been added.
 - Displayed updated Healthcare Accelerated Career Diploma pathway. If there are others, please send to Dr. Hornsby.
 - NCCER: Asking for MOUs from each college. NCCER is optional. Please forward any questions to Dr. Hornsby. Once signed by the college, send back to Burnette Cockfield and she will get the other needed signatures. She will then send signed copy back to each college.
- II. Admission Procedure Revisions- Derek Dabrowiak
 - Review of IA00 program placement in process. Guidance has been shared with colleges.
- III. Financial Aid Risk Review – James Chiara
 - SRTC review upcoming. Need a VPAA volunteer for Monday.
- IV. eCampus Update- Dr. Deona Carter
 - 66 courses for summer. 38 alignments. 1,270 seats. 9 courses need review. 18 courses need host college. 74 courses are open for review to see if your college would like to offer.
 - 9 course for fall; 7 need review; 47 need a host.
 - Cross registration. Roll out contingent on other things being in place which should occur in April and May. Possible for roll out in June or July.
 - Online tutoring still available for Economics, English, and Math.
- V. Dental Hygiene Update- Sasha Kahiga
 - Reached out to the Dentistry Board for clarification on the proposed Rule changes regarding providing local antiesthetic.
 - Rule change is still in review. Anticipating more information in March.
 - If the Rule change is approved, will it be optional. Yes.
 - If the Rule change is approved, one of the TCSG Dentists may provide any needed faculty training. The Board will review a course developed providing extra faculty training.
