#### WELCOME, AND CALL TO ORDER:

The meeting was called to order by Dr. King and the agenda was reviewed.

#### DISCUSSION:

Sasha Kahiga (TCSG) shared and discussed a PowerPoint regarding KMS and the curriculum.

Dr. Sandra King (TCSG) shared a PowerPoint and led a discussion regarding Generative AI (Artificial Intelligence) and the impact seen/felt at colleges.

Very little discussion or concerns were iterated.

Leanna Valentine shared that she had found, GPTzero.

Ebony Story mentioned the possible implications of simulations.

Sasha Kahiga relayed that these generative AI products can produce dosage calculations.

#### CONCLUSION AND ACTION ITEMS:

Concern was raised by Leanna Valentine at Lanier and Ebony Story at Augusta regarding high TEAS scores among students which do not correlate to program performance. Leanna shared a website,

“helpwithonlinecourses.com” which promotes online test proctoring cheating. Tammy Bryant will check with ATI regarding this issue.
