TICKET INFORMATION:

The Recording Arts (RAT3) program is only offered at Georgia Piedmont Technical College. They do not have a faculty credentialed to teach DMPT1055. According to Ramona Pollard, Associate Vice-President at Georgia Piedmont Technical College, the following change would increase graduation rates for the Recording Arts (RAT3) program.

Allow students to take Introduction to Media Technology (DMPT1055) or Introduction to Computer Literacy (COMP1000)

The TCSG's AA staff completed this change request to the existing program version in the database and the change is effective immediately.
