PAS Group Title/PAS Code: Radiologic Technology/1010

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

Diagnostic Medical Sonography/DMS3

Specialized Sonographic Procedures/DMSO 2020

TICKET INFORMATION:

This information ticket informs colleges offering the DMS3: Diagnostic Medical Sonography program of a recent modification voted in by the IFCC during their April 2023 IFCC meeting. The faculty voted to remove the DMSO 1050: Abdominal Sonography I as a pre-req requirement for the DMSO 2020 Specialized Sonographic Procedures course. The removal of the DMSO 1050 as a pre-req to DMSO 2020 came upon some of the colleges' requests based upon them teaching the class in the same semester or subsequent semesters, causing registration issues amongst the students enrolled within their programs.

The IFCC agreed that removing the DMSO 1050 as a pre-req to DMSO 2020 will not impact the student's success within the program. In conclusion, the pre-req revision of the DMSO 2020 course did not affect the total course credit or contact hours. Ultimately allowing the DMS3: Diagnostic Medical Sonography program to remain at 77 credit hours.
