PAS Group Title/PAS Code: Welding and Joining Technology / 1130

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

WT22 – NCCER Welding Technology (201812)

WELD 1110 – Gas Tungsten Arc Welding

TICKET INFORMATION:

At the request of Athens Tech and North Georgia Tech, WELD 1110 – Gas Tungsten Arc Welding was added as an “OR” option for the WELD 1085 – SMAW Stainless Steel Groove Welds course. The request was made due to the high cost of operating the WELD 1085 course and the greater industry demand for students with the WELD 1110 skillset.

Athens Tech and North GA Tech are the only colleges offering this program. The program total credit hours remained at 49 and the program version remains 201812.
