### Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

NU93-Nursing -Ogeechee Technical College

RNSG 1601 Introduction to ASN Pharmacology

### TICKET INFORMATION:

This information ticket is intended to inform Ogeechee Technical College that 1 credit hour of lecture time has been added and 1 credit hour of lab time has been removed in RNSG 1601 – Introduction to ASN Pharmacology Course as requested. This is a new program, and their curriculum is still under development. The faculty has determined that this course needs more didactic instruction to ensure that all classifications of medication are thoroughly covered. The students not only have (1) credit hour of lab time in this course but (1) credit hour of lab time in the 1602 Nursing Dosage and Calculation to obtain additional heads-on experience.
