TICKET INFORMATION:

This information ticket is intended to inform colleges offering the EC23: Echocardiography degree program of a recent change. It has been requested that the Physics requirement be expanded to provide transferrable options for students seeking to further their education. The 202116 version of the EC23: Echocardiography has been updated to include the following “or” options within the Physics requirement,

Select PHYS 1110/L or 1111/L (4hrs)	SELECT	-	-	-	-		-	-	4
PHYS 1110 - Conceptual Physics (201003) 3 hrs	AND	3	0	3	3		0	3	3
PHYS 1110L - Conceptual Physics Lab (201003) 1 hrs	AND	0	1	1	0		0	3	1
PHYS 1111 - Introductory Physics I (201003) 3 hrs	AND	3	0	3	3		0	3	3
PHYS 1111L - Introductory Physics Lab I (201003) 1 hrs	AND	0	1	1	0		0	3	1

Adding PHYS 1111: Introductory Physics I and PHYS 1111L: Introductory Physics Lab as “or” options to the Physics requirements, provides students the opportunity to earn a transferable Physics credit hour requirement. Adding the “or” option did not impact the total credit or contact hours of the program. The program remained at 71 credit hours.
