TICKET INFORMATION:

The CA51: Clinic Assistant TCC is an institutionally developed program belonging to Southern Regional Technical College. The college has requested to add ALHS 1090: Medical Terminology for Allied Health Sciences (2hrs) as a required course to ensure enhancing the students' entry-level skills within the profession. The credit hours for the program have increased from 15 to 17 total credit hours, resulting in a 202412 version of the program. The program will require further review and approval at the March 2024 State Board.
