Health Care Assistant/HA21

[Click or tap here to enter text.]

TICKET INFORMATION:

This information ticket is intended to inform colleges offering the HA21: Health Care Assistant TCC program of a recent change. It has been requested to add the NAST 2105: Nurse Aide Fast Track course as one of the Nurse Aide course selections within its respective specialization areas. Adding the NAST 2105: Nursed Aide Fast Track course as another “or” option allows flexibility for colleges to meet the needs of the students & company they are serving. Overall, the addition of the this “or” option did not impact the total credit or contact hours of the program. The program remained at 30 credit hours.
