ACRP 1010 – Foundations of Collision Repair

### TICKET INFORMATION:

At the request of the ACR IFFCC faculty in March 2024 the required co-requisite of ACRP 1005 for the above ACRP 1010 course was removed. This co-req removal helps some colleges with scheduling new students and not having to do overrides in Banner. The colleges who wish to keep 1005 as a co-req can still do so if they wish.
