TICKET INFORMATION:

The AN71: Advanced Patient Care Assistant and NT61: Nursing Technician programs belong to Wiregrass GA Technical College. They have requested the NAST 2105: Nurse Aide Fast Track course be added as an “or” option for both programs. Adding the NAST 2105: Nurse Aide Fast Track course as an “or” option will allow their students the flexibility to complete these programs in a shorter amount of time if chosen. The additional “or” option impacted each program's minimum amount of credit hours and required creating the 202512 version of both programs.
