PAS Group Title/PAS Code:

Nursing 0860/Registered Nurse/Registered Nurse 513801

Program Standard Title/Major Code(s) and/or Course Standard Title/Course Code(s):

NU93 Nursing- Ogeechee

TICKET INFORMATION:

Ogeechee College found while reviewing their (NU93 Nursing) that the General Education Elective (3 credit hours) section was missing from the Associate of Science in Nursing Program. All Associate of Science Programs must show 15 credit hours of General Education curriculum, as per Procedure 5.1.6 P – Structure of Associate, Degree, Diploma, and TCC.

A new program version was created in 202512 adding the section for General Education Electives. This increased the overall program length by 3 credit hours from 68 credit hours to 71 hours. This is an institutionally developed program, and these changes will need to be presented at the September 2024 Board meeting.
