

CONCUR CASH ADVANCE

There are no fees associated with processing a cash advance through Concur – it is completely free.

1) Where do employees enter a Cash Advance Request?

Employees can both VIEW and enter a NEW Cash Advance from the **Cash Advance Drop Down Menu** found on the **Expense Tab**.

2) How does an employee enter a Cash Advance and what happens after it is submitted?

A) An employee makes a request on the **Cash Advance Details Tab** shown below.

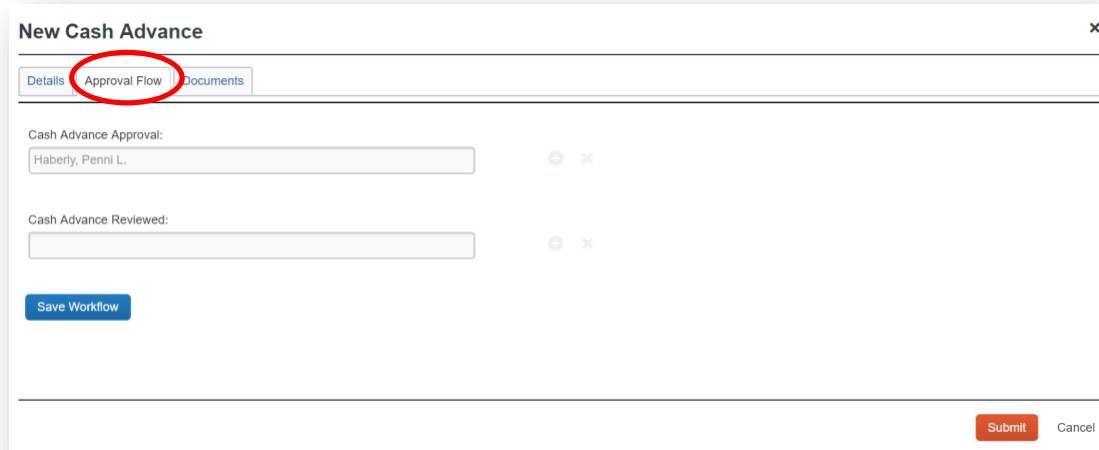

The screenshot shows the 'New Cash Advance' form. The 'Details' tab is selected and highlighted with a red circle. The form contains the following fields:

- Name: Test - Trip xyz
- Cash Advance Amount: 500.00 USD
- Purpose: (empty)
- Cash Advance Comment: (empty)
- Travel Start Date: 06/18/2018
- Travel End Date: 06/20/2018
- Requested Disbursement Date: (empty)
- City: (empty)

At the bottom left, there is a 'Save' button. At the bottom right, there are 'Submit' and 'Cancel' buttons.

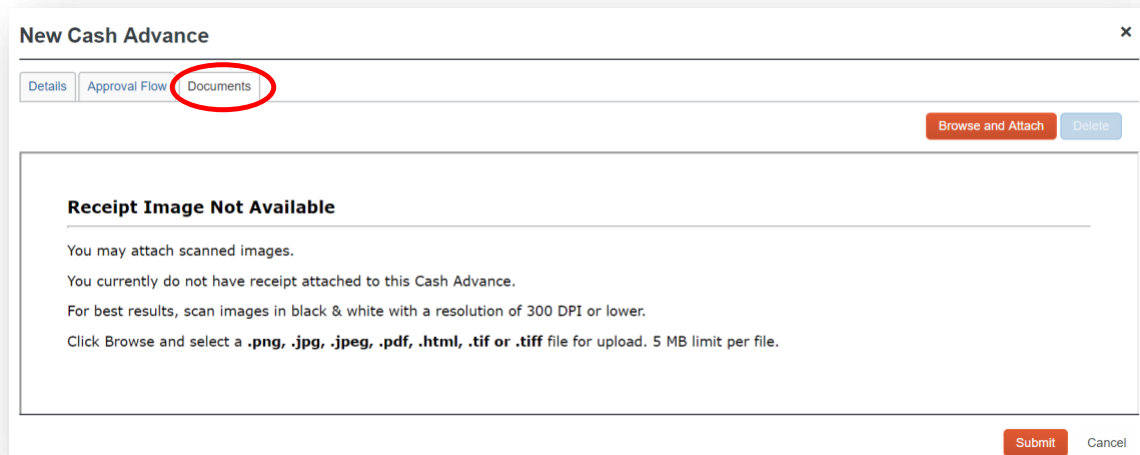

- B) Notice the approval flow only allows for one approver (the employee's immediate supervisor that is shown in PeopleSoft HCM system). The employee does NOT enter a name in the Cash Advance Reviewer box.

The Concur system routes the Cash Advance request to the Cash Advance Administrator(s) for review once the immediate supervisor has approved the CA request.

The screenshot shows a web form titled "New Cash Advance" with a close button (X) in the top right corner. Below the title are three tabs: "Details", "Approval Flow", and "Documents". The "Approval Flow" tab is selected and circled in red. The form contains two input fields: "Cash Advance Approval:" with the text "Haberly, Penni L." and "Cash Advance Reviewed:" which is empty. To the right of each input field are small circular icons with a plus and minus sign. At the bottom left is a blue "Save Workflow" button. At the bottom right are "Submit" and "Cancel" buttons.

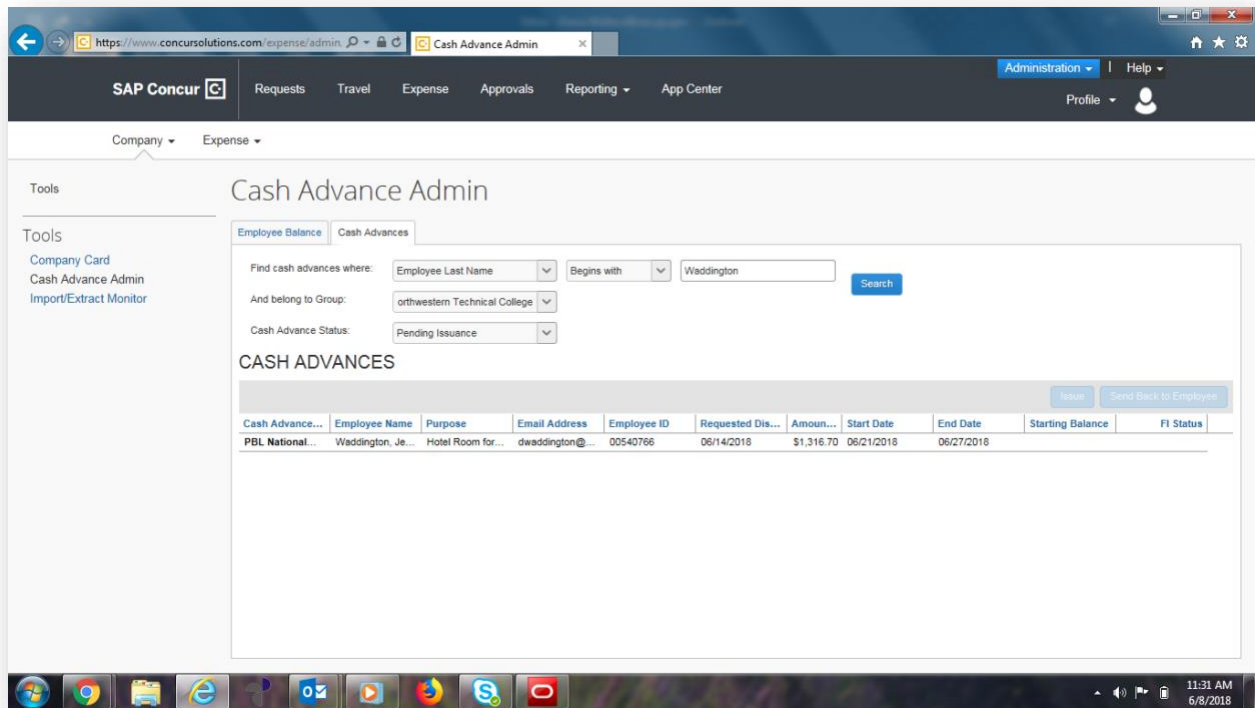

- C) Given that additional approvers cannot be added to the CA Approval Flow most colleges will want to use the 3rd tab, DOCUMENTS, to have the employee upload whatever current paper approval process you use today to approve Cash Advances (or that you have been using to get a check cut to take to a hotel). This could be a form that simply shows the employees name, trip date, requested CA amount, and all the needed approval signatures so that when the CA Administrator receives the request they have enough information to approve/deny the cash advance request.

The screenshot shows the same "New Cash Advance" form, but with the "Documents" tab selected and circled in red. The "Approval Flow" tab is now dimmed. In the top right corner, there are "Browse and Attach" and "Delete" buttons. The main content area displays a message: "Receipt Image Not Available". Below this, it says: "You may attach scanned images. You currently do not have receipt attached to this Cash Advance. For best results, scan images in black & white with a resolution of 300 DPI or lower. Click Browse and select a .png, .jpg, .jpeg, .pdf, .html, .tif or .tiff file for upload. 5 MB limit per file." At the bottom right, "Submit" and "Cancel" buttons are visible.

3) Where does the Cash Administrator view, approve/deny incoming Cash Advances?

Go to: **Administration > Company > Cash Advance Admin**

4) How can we view, assign, or remove the Expense Cash Advance Administrator Role for my college?

The Concur Local Administrator (most likely your VPA), can view and make adjustments to employee roles by going to:

Administration > Company > Company Admin > User Permissions

From the Expense File Tab (in the gray area), enter:

Step 1: Role

Step 2: Expense Cash Advance Administrator

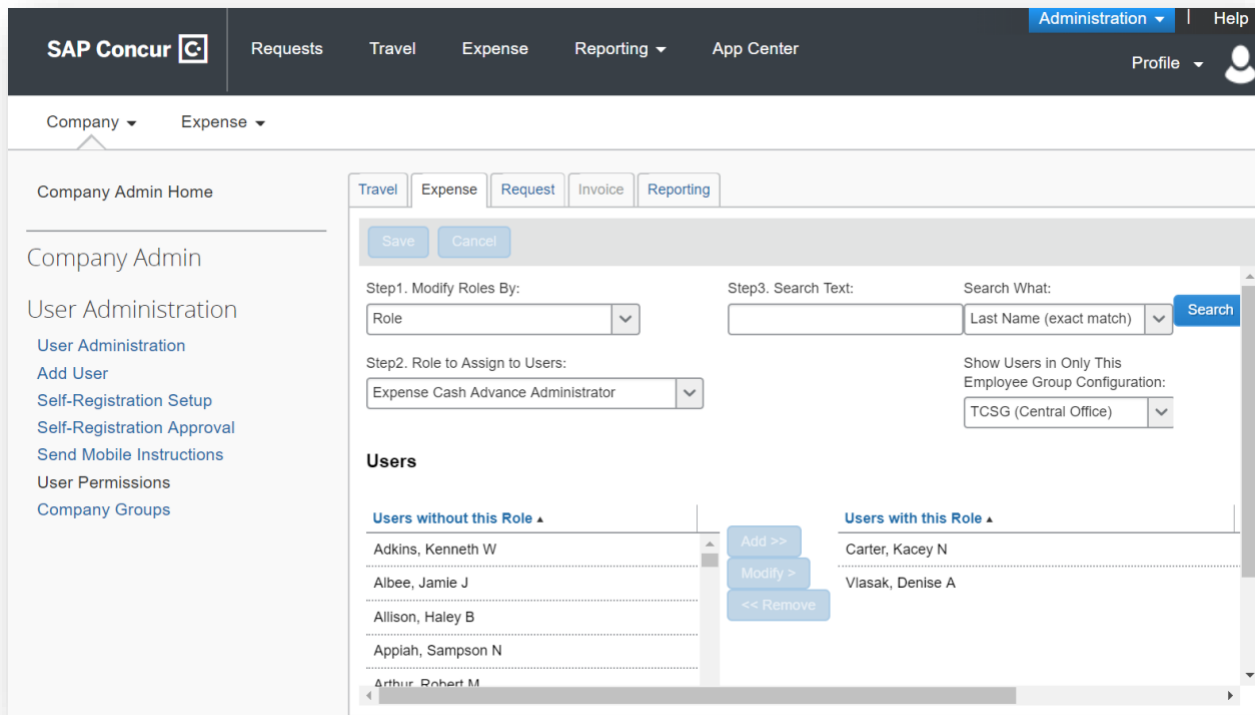

Step 3: (leave blank)

Press <SEARCH>

This will allow you to select USERS WITH or WITHOUT THIS ROLE, then ADD or REMOVE them as desired.

Press <SAVE> after making your updates.

Changes are effective immediately.
